(800) 877-7896 | TDD: (866) 326-0087

Investment Analyst – Alternatives/Absolute Return

The Teachers' Retirement System of the State of Illinois is seeking an analyst to help manage the System's diversifying strategies/absolute return portfolio, currently targeted at over 13% of the System's \$46.0 billion in assets. This position will focus on monitoring current hedge fund relationships and research, evaluate and recommend additional investments in the asset class.

Candidate will be actively involved in all aspects of TRS's investment process and is expected to possess superior analytical skills, organizational abilities and attention to detail. The ability to clearly communicate research and complex analysis is essential.

A bachelor's degree in finance, accounting, economics or business administration is required. Two years of investment experience and CFA charter, or credible progress toward earning the CFA charter, is preferred. Salary is commensurate with education and experience.

Applicants may apply by submitting a cover letter and resume no later than August 12th to:

Teachers' Retirement System
