## Education Jobs Fund Program of 2010

September 2010

Many school districts in Illinois will receive funding through the Education Jobs Fund Program of 2010, signed by President Obama on August 10, 2010.

Any funding received through the Education Jobs Fund Program that is used to pay TRS members' salaries will be subject to the member and employer TRS and THIS contribution rates and not the additional federal contribution rate. TRS has been notified by the Governor's Office

of Management and Budget that the state of Illinois considers the Education Jobs Funds as "analogous to State Fiscal Stabilization Funds..."

For detailed information on Education Jobs Funds, please visit the Illinois State Board of Education's Web site at [www.isbe.state.il.us/arra/default.htm](http://www.isbe.state.il.us/arra/default.htm)

Please forward a copy of this publication to the individual(s) responsible for federal grant applications.
